What if she is a key to bring back the era with fire ?
Governments that have the heavy weapons will regain their powers, and mafia like us will be forced to submit.

Iron and steel can no longer be foraged and we've collected a fair amount of weapons ... but we don't have lots of high tech weapons.
I see ! I will send our men to kill her right away !

They may not appear to be aggressive but that is only because they don't care about other organizations. And they are the largest organization on Earth right now. We are no match for them if they turn on us.

...

I was told that you guys have the best network around here.

짝

Boss ! Are you alright ?!

철컥

Ugh !

Stay where you are !

How did you get past the first floor ?! We have all of our men stationed there !

Boss ! Please escape ! We have an experimental man !

He literally flew past us and blocked off the stairs !

But ... I thought all experimental men died from the side effect ?

I don't need to kill you.

Then what do you want ?

I just need to

Locate the woman who can use fire !

?!!

You mean ...

세익

We are after the same thing.
